HOW TO USE THE SESSION LAWS

The first pages contain the *Popular Name Table*, the *Table of Sections Affected by 2003 Legislation* from the Second Extraordinary Session, and the *Table of Sections Affected by 2004 Legislation* from the Second Regular Session.

The following pages contain the text of the bill from the Second Extraordinary Session, as well as the text of bills whose vetoes were overridden from the First Regular Session.

The text of all 2004 House and Senate Bills and the Concurrent Resolutions appear next. The appropriation bills are presented first, with all others following in numerical order.

A subject index is included at the end of this volume.

Authority for Publishing Session Laws and Resolutions

Section 2.030, Revised Statutes of Missouri, 2000. — General Assembly to provide for printing and binding of laws. — The sixty-fourth general assembly and each general assembly thereafter, whether in regular or extraordinary session, shall by concurrent resolution adopted by both houses, provide for collating, indexing, printing and binding all laws and resolutions of the session and all measures approved by the people since the last publication of the laws and resolutions in the manner directed by the resolution. The general assembly may by concurrent resolution require that all laws passed by the general assembly and all resolutions adopted prior to any recess of the general assembly for a period of thirty days or more shall be collated, indexed, bound and distributed as provided by law, and any edition published pursuant to the concurrent resolution is a part of the official laws and resolutions of the general assembly at which the laws and resolutions were passed.

Section 2.040, Revised Statutes of Missouri, 2000. — Duties of Legislative Research in printing and binding. — The joint committee on legislative research shall provide copies of all laws, measures and resolutions duly enacted by the general assembly and all amendments to the constitution and all measures approved by the people since the last publication of such laws and resolutions, giving the date of the approval or adoption thereof for printing in accordance with the directions of the general assembly as given by concurrent resolution. The joint committee on legislative research shall edit, headnote, collate, index the laws, resolutions and constitutional amendments, and shall compare the proof sheets of the printed copies with the original rolls, note all errors which have been committed, if any, and cause errata thereof to be annexed to the completed printed copies, and the revisor of statutes shall insert therein an attestation under the revisor's hand that the revisor has compared the laws, resolutions, constitutional amendments and measures therein contained with the original rolls and copies in the office of the secretary of state and that the same are true copies of such laws, measures, resolutions and constitutional amendments as the same appear in the original rolls in the office of the secretary of state. The joint committee on legislative research shall cause the completed laws, resolutions and constitutional amendments to be printed and bound.

SENATE CONCURRENT RESOLUTION NO. 30, 2004 General Assembly.—BE IT RESOLVED by the Senate of the Ninety-second General Assembly, the House of Representatives concurring therein, that the Missouri Committee on Legislative Research shall prepare and cause to be collated, indexed, printed and bound all acts and resolutions of the Ninety-second General Assembly, Second Regular Session, and shall examine the printed copies and compare them with and correct the same by the original rolls, together with an attestation under the hand of the Revisor of Statutes that she has compared the same with the original rolls in her office and has corrected the same thereby; and

BE IT FURTHER RESOLVED that the size and quality of the paper and binding shall be substantially the same as used in prior session laws and the size and style of type shall be determined by the Revisor of Statutes; and

BE IT FURTHER RESOLVED that the Joint Committee on Legislative Research is authorized to print and bind copies of the acts and resolutions of the Ninety-second General Assembly, Second Regular Session, with appropriate indexing; and

BE IT FURTHER RESOLVED that the Revisor of Statutes is authorized to determine the number of copies to be printed.

ATTESTATION

STATE OF MISSOURI)
) ss.
City of Jefferson)

I, Patricia L. Buxton, Revisor of Statutes, hereby certify that I have collated carefully the laws and resolutions passed by the Ninety-second General Assembly of the State of Missouri, convened in second extraordinary session and second regular session, as they are contained in the following pages, and have compared them with the original rolls and have corrected them thereby. Headnotes are used for the convenience of the reader and are not part of the laws they precede.

IN TESTIMONY WHEREOF, I have hereunto set my hand at my office in the City of Jefferson this twentieth day of July A.D. two thousand four.

PATRICIA L. BUXTON
REVISOR OF STATUTES

EFFECTIVE DATE OF LAWS

Section 29, Article III of the Constitution provides:

“No law passed by the general assembly, except an appropriation act, shall take effect until ninety days after the adjournment of the session in either odd-numbered or even-numbered years at which it was enacted. However, in case of an emergency which must be expressed in the preamble or in the body of the act, the general assembly by a two-thirds vote of the members elected to each house, taken by yeas and nays may otherwise direct; and further except that, if the general assembly recesses for thirty days or more it may prescribe by joint resolution that laws previously passed and not effective shall take effect ninety days from the beginning of the recess.”

The Ninety-second General Assembly, Second Regular Session, convened Wednesday, January 7, 2004, and adjourned May 30, 2004. All laws passed by it (other than appropriation acts, those having emergency clauses or different effective dates) became effective ninety days thereafter on August 28, 2004.

JOINT RESOLUTIONS AND INITIATIVE PETITIONS

Section 2(b), Article XII of the Constitution provides:

“All amendments proposed by the general assembly or by the initiative shall be submitted to the electors for their approval or rejection by official ballot title as may be provided by law, on a separate ballot without party designation, at the next general election, or at a special election called by the governor prior thereto, at which he may submit any of the amendments..... If a majority of the votes cast thereon is in favor of any amendment, the same shall take effect at the end of thirty days after the election. More than one amendment at the same election shall be so submitted as to enable the electors to vote on each amendment separately.”

The Ninety-second General Assembly, Second Regular Session, passed one Joint Resolution. The Secretary of State's office certified one initiative petition. Resolutions are to be published as provided in Section 116.340, RSMo 2000, which reads:

“116.340. Publication of approved measures. — When a statewide ballot measure is approved by the voters, the secretary of state* shall publish it with the laws enacted by the following session of the general assembly, and the revisor of statutes shall include it in the next edition or supplement of the revised statutes of Missouri. Each of the measures printed above shall include the date of the proclamation or statement of approval under section 116.330.”

*The publication of session laws was delegated to the Joint Committee on Legislative Research in 1997 by Senate Bill 459, section 2.040.

The headnotes used to describe sections printed in this volume may not be identical with the headnotes which appear in the 2004 Supplement to the Revised Statutes of Missouri. Every attempt has been made to develop headnotes which adequately describe the textual material contained in the section.

The Joint Committee on Legislative Research is pleased to state that the *2004 Session Laws* is produced with soy-based ink.
